RE: Opioid Litigation Settlement / Backstop Fund Workshop

Dear All:

Enclosed is a letter I received yesterday from James Canaday, Deputy AG for the Minnesota OAG. Please review it and respond to me with copies to other counsel by close of business, (5:00 CST) on May 29, 2024. If you would meet, confer and submit a consolidated response, if possible, that could expedite issuance of my Final Order.

My plan is to allow the OAG seven days from receipt of your response(s) for any reply comments. I also intend to publish the OAG letter as well as any response(s) and reply on the OAG website.

Let me know right away if there is an objection to the process set out above. Otherwise, I look forward to your submission(s) on or before May 29.

Best regards,

LARSON • KING, LLP
